

Wesley Pilgrimage 2027

JULY 12-22, 2027 in SALISBURY, ENGLAND

Deepen your faith while traveling through the heart of Wesleyan history!

What might it mean to walk the same roads as John and Charles Wesley and other early Methodists? The **2027 Wesley Pilgrimage** invites lay and clergy leaders on an eleven-day journey through the places that shaped early Methodism, from Epworth and Oxford to Bristol and London.

Why Join the Wesley Pilgrimage?

For eleven days and ten nights, you can walk the same paths that John and Charles Wesley walked. You'll journey through key locations that sparked the Methodist revival, guided by Wesleyan scholars and fellow ministry leaders:

- Learn and worship where the Wesleys encountered God in Epworth, Oxford, Bristol, London & Salisbury.
- Forge new friendships with fellow pilgrims who are living into their ministry as ordained clergy.
- Reignite your calling through integrated Wesleyan theology, prayer, and reflection.
- Return inspired, equipped, and renewed in your leadership.

This pilgrimage is more than travel; it's an invitation for a retreat "on location" as we worship, create space for conversation, and connect with our purpose and passion in ministry.
