Upgrading Your Annual Campaign

Will your church be planning an annual campaign this year, and is it part of a broader stewardship strategy for your church? Join Ken Sloane and his guests Alan Wildes and Chris Stovall (stewardship consultants with Generis) who will share what they have seen and learned in regard to generosity as they have helped faith communities achieve their vision.

Thursday, September 10, 2020, 6:30 PM, CDT

A Closer Look at the Offering

Churches are struggling with the decline in people using check or carrying cash, and the rise of digital money to take care of financial commitments. Join us for this webinar as Ken Sloane (Director, Stewardship & Generosity) and his guest Dr. Ed Phillips (Assoc. Professor of Worship, Candler School of Theology) share a discussion of the evolution of the Offering as worship and as the vehicle for funding our ministry.
