Notes:

Rehearsal Plan:

Quick sound check (if needed)

For each song, work through these in order:

Start with your strongest song that everyone/most musicians know.

- **Overview**
 - lyrics meaning
 - dynamics and any hits, breakdowns, or timing changes
 - Flow – (intro, verse, chorus, etc.)
- **Rehearse challenging sections** (band and vocals)
- **Rehearse beginning / ending transitions**
- **Run through song**

Make the newest song the second one to work through.

Run-Through

Song set run through with spoken or musical transitions, pads, tempo shifts, dynamics, etc.
