

God Speaks to Me

1, 2, 3

Instructions

WHAT YOU'LL NEED:

- A printed copy of this document
- Scissors
- A bowl or other object to hold the game pieces
- Something for your players to mark their tiles with (i.e. buttons, coins, pieces of cereal; or you could have them mark their tiles with crayon or pencil)

HOW TO PLAY:

1. Cut out the game tiles on this page, along with the game cards provided within this document. If you need additional cards, consider printing out additional game pieces to construct your own!
2. Fold the game tiles one or two times and place them into a bowl or other object to hold them. You will be pulling these out one at a time at random to call out to your players.
3. Provide each player with one of the playing cards. As you pull game tiles, your players will be marking off each matching tile on their cards.
4. Pull out a game piece one at a time, taking time to discuss the accompanying Bible verse, and the method of communication depicted on the tile.
5. Repeat Step 4 until a player has marked three tiles in a row either vertically, horizontally, or diagonally (like tic-tac-toe or bingo). For a longer game, see who can be the first to two lines!
